

MUHAMMAD NAWAZ SHARIF

UNIVERSITY OF ENGINEERING AND TECHNOLOGY MULTAN(BCG CHOWK)

First Public Sector Engineering University in South Punjab

ADMISSIONS OPEN

**FALL
2025**

Center of Excellence, Innovation and Integrity

Engineering Programs

- B.Sc. Electrical Engineering (M)
- B.Sc. Chemical Engineering (M)
- B.Sc. Food Engineering (M)

05 Seats are allocated on a self-finance basis in each Engineering program

- **Eligibility:** Intermediate (Pre-Engineering, ★Pre-Medical, ICS, DAE or equivalent with a minimum of **60%** marks)
- **Entry Test Requirements:** Valid ECAT-2025 OR Entry Test to be conducted by MNS-UET, Multan to be held on **02.08.2025, 30.08.2025.**

★ Course of Condensed Mathematics will be offered for pre-medical students from **30.06.2025** by the University For Details: <https://mnsuet.edu.pk/admissions/>

Engineering Technology Programs

- Bachelor of Engineering Technology (Civil) (M/E)
- Bachelor of Engineering Technology (Mechanical) (M/E)
- Bachelor of Engineering Technology (Software) (E)
- Bachelor of Engineering Technology (Chemical) (E)
- Bachelor of Engineering Technology (Electrical) (E)
- Bachelor of Engineering Technology (Architectural) (E)

- **Eligibility:** Intermediate (Pre-Engineering, Pre-Medical, ICS, DAE or equivalent with a minimum of **50%** marks)
- **Entry Test Requirements:** Valid ECAT-2025 OR Entry Test to be conducted by MNS-UET, Multan to be held on **02.08.2025, 30.08.2025.**

Well Placement in Job Market for Engineering Technology Students

BS/ADP Programs

- BS Computer Science (M/E)
- BS Information Technology (E)
- BS Artificial Intelligence (M)
- BS Cyber Security (M)
- BS Environmental Sciences (M)
- BS Mathematics (M)
- BS Chemistry (M)
- BS Physics (M)
- BBA (Hons) (M/E)

(NO ENTRY TEST REQUIREMENTS FOR BS PROGRAMS)

- **Eligibility:** Intermediate or equivalent with minimum **50%** marks for BS Computer Science, BS Information Technology, BS Artificial Intelligence, BS Cyber Security, and BBA.
- Intermediate or equivalent with minimum **45%** marks for BS Physics, BS Chemistry, BS Mathematics, and BS Environmental Sciences.
- 05 Seats are allocated on a self-finance basis in each Program (Computer Science, Information Technology, Artificial Intelligence and Cyber Security)

MSc and PhD Programs

- Ph.D Chemical Engineering
- Ph.D Electrical Engineering
- MSc Chemical Engineering
- MSc Electrical Engineering

- **Eligibility:** A minimum CGPA of **2.5** with 16 years of relevant education is required for admission to the MSc program, while a CGPA of at least **3.0** with 18 years of relevant education is required for the Ph.D program
- **Subject Test:** At least **60%** marks for MSc and at least **70%** Marks for PhD (University Test) or GAT General for MSc and GAT Subject for Ph.D.

WHY MNS-UET

- CM / PM Laptop Scheme
- Outcome-Based Education System
- Foreign Qualified Faculty
- Affordable Fee Structure
- Hostel Facility for Students

- University Transport System
- Undergraduate Laboratories as per PEC
- Postgraduate Research Laboratories
- Extracurricular Activities

- CM Honahaar Scholarship
- Ehsas Scholarship
- University Need-based Scholarship
- Kinship Scholarship
- PEEF Scholarship
